Tricia Adams
District Manager
Reunion East Community Development District

Dear Ms. Adams and Members of the Board,

As a six-year resident and homeowner in Reunion Resort, I am writing to express my interest in serving on the Reunion East Community Development District Board of Supervisors for Seat #4. I am committed to enhancing the quality of life for our residents and ensuring responsible stewardship of community resources.

In my role as President of the Heritage Crossing Condominium Association, I have led our board through complex budgeting decisions, vendor negotiations, and infrastructure improvements. I have worked closely with CDD and county representatives to advocate for resident concerns, always emphasizing transparency, fiscal responsibility, and long-term planning.

Professionally, I serve as a licensed Realtor specializing in Reunion Resort and surrounding communities, giving me a unique perspective on property values, resident expectations, and the importance of maintaining a well-run CDD. Additionally, my career as an expedition leader with National Geographic and Adventures by Disney has honed my organizational, financial, and leadership skills—qualities that I believe will be valuable to the Board.

I am deeply invested in our community's future and eager to contribute my experience and commitment to ensuring that Reunion East remains a desirable and well-managed place to live. Thank you for considering my application. I look forward to the opportunity to discuss my candidacy further during the October 9th Board meeting.

Sincerely,

CDD Board Application

To: Trisha Adams
From: Diana Boyce
Address: 7530 Gathering Drive and 827 Assembly Court
Date: 9/8/25

Dear Trisha:

Please consider my application to become a board member of the Reunion CDD board. I am qualified to be considered, because I own two different properties in Reunion. Our original purchase is from 2010 and is a Townhouse in Carriage Point. Our second home is a standalone home in the Homestead community, across from the Watson #1 hole.

In my previous residence, [19 Victoria Pines Lane](#) in Andover Township, New Jersey, I served on the Land Use board from 2006 to 2022. In that position I dealt with public board decision making involving potential development and proper land use. We always included training for our board members, so I learned a great deal about proper environmental procedures.

My Husband, Phil Boyce, and I love Reunion, and I would love to be able to serve fellow residents in the community.

Sincerely,

Diana Boyce

Re: Diana Boyce

Dear Ms. Adams,

I am writing to you with regard to Diana Boyce's desire to serve on the CDD Board, with the intent to inform the Board of her qualifications.

I am a retired Planning and Zoning Administrator, and secretary, to the Joint Planning and Zoning Board in my municipality in New Jersey. I wish to inform you that while Ms. Boyce was a member of our Board for approximately seven years, her dedication to such was with enthusiasm for obtaining the knowledge of what would better serve the homeowners within our community.

Our Board members were required to attend specific classes, authorized by our government, in order to familiarize them with different environmental, housing and road development requirements. Ms. Boyce has always looked to help improve and better the lives of those living in our community by researching and helping to implement the desires and allowances necessary to do so.

I am positive that should Ms. Boyce become a member of your Board, she will bring that same passion for enhancing the lives of those within your development.

Sincerely,

T. Linda Paolucci

Kostelnik of 50 Greendale Road, Andover, NJ from the public spoke regarding the concern of the public about the zoning around the airport. Kostelnik discussed the history of the zoning around the airport and how it got to be that way. She stated that there is an administrative law that applies to airports that are deemed as “public-use” and that there is such a thing as the “air hazard zone” and that under the shadow of this envelope, the State says that you cannot do anything that is not developed under that shadow as “residential”. Kostelnik further stated that she is not sure whether or not the law has changed but wished to inform the Board about it for consideration of any future re-zoning. Smith thanked her for the information and told her that they are aware of the situation.
